

Process for becoming a member

After attending a meeting, if you are interested in joining our organization, please complete our membership application and return it to one of the Board members. In the description of your company or organization's services please explain how you serve the senior population.

After we receive your application our Board will review it and contact you with any questions. Following acceptance as a member you will receive a Welcome letter and invoice for dues which will be prorated based on the date you joined.

Following receipt of your dues your information will be added to our web site (which is updated quarterly) and you will also have an opportunity, at a future date, to speak to the membership about the services you offer to seniors.

Dues

Our annual dues are currently \$110 (effective December 15, 2015). Invoices are sent the first week of October and payment is due by December 15th.

If payment is not received by that date, dues are increased to \$135. If the increased dues are not received by January 15th the organization is deleted from the VERG web site, its member(s) are removed from our email list and will no longer be able to attend meetings and educational sessions.
