

Process for becoming a member

If you are interested in becoming a member you may speak with any board member and you may attend a meeting. If you are still interested you may submit an application through the VERG website at VERGVERMONT.org. Go to the Information icon at the top of the page and click on "becoming a member, Intake Form." When you complete the form and click on send it will be forwarded to all board members. In the description of your company or organization's services please explain how you serve the senior population.

After we receive your application our Board will review it and contact you with any questions. Following acceptance as a member you will receive an invoice for dues which will be prorated based on the date you join. Payment is due within 30 days. Following receipt of your dues your organization/company will be listed on the website.

Dues

Our annual dues are currently \$135. Invoices are sent the first week of October and payment is due by December 15th.

If payment is not received by that date the late fee is \$160. If they are not received by January 15th the organization is deleted from the VERG web site, its member(s) are removed from our email list and will no longer be able to attend meetings and educational sessions.
