

## *Our Mission Statement*

To provide professionals and organizations serving Vermont older adults with peer-to-peer education and networking opportunities to enable them to better serve their clients. All members share the common desire to promote successful aging in our communities through increased knowledge and referral of appropriate resources.

## *Our Code of Ethics*

VERG values and embodies its commitment to the professionalism, integrity and high standards of conduct of all its members.

- VERG members continuously seek to advance awareness of community resources to promote successful aging.
- VERG members foster an atmosphere of openness and honesty that is in the best interests of the older adult community.
- VERG members are encouraged to participate in meetings and communicate among themselves in an environment of trust.
- VERG members' commitment to integrity is as vital in relationships among themselves as it is in relationships with their customers and clients.
